MOWA continues to grow each year and your company can be in front of them through advertising in both our newsletter and at the annual convention.

Take part in all three items below to become a Business Partnership Program Member. Make one stop every year to get all your advertising and membership completed with MOWA.

2024 MOWA Convention

The 2024 MOWA Convention will be hosted in Duluth, MN, at Duluth Entertainment Convention Complex (DECC). The event will be held on February 5-6, 2024.

We attract over 230 professionals every year and keep growing. Come meet our membership and make new contacts for our business.

Little Digger & MOWA Directory Advertising

The Little Digger newsletter is published twice a year (July & December/January). This is a great chance to get your company in hands of our members. We publish a print version and an electronic version on our website.

Once a year, we publish a Directory of our membership. Many members request this in print but our online directory is always available to members on our website.

Advertising in both the Little Digger and Directory is the best way to stay out in front of our membership.

2024 MOWA Convention Registration

February 5-6, 2024

The Minnesota Onsite Wastewater Association (MOWA) presents the 2024 Minnesota Onsite Wastewater Convention on February 5-6, 2024. The Trade Show is a very important part of our convention. **MOWA offers exhibitors the opportunity to contact industry professionals AND show support of MOWA at the only onsite wastewater convention in Minnesota.**

At the 2024 convention, we will offer over 25 booths at the DECC in Duluth, Minnesota. We will continue with the two-day convention format and several sponsorship opportunities. Exhibitors will have the choice to attend both days of the convention – including all CEUs, meals and entertainment – for the single price of the booth fee! We'll have games geared toward exhibitor-attendee interaction. The Roe-D-Hoe® event is being planned as well to have contractors test their skills on the backhoe. Opportunities for sponsorship are described under Sponsorships. This year's conference theme is *Driving the Industry Forward*.

None of these accomplishments could have happened without the support and leadership of MOWA members and industry suppliers and manufacturers. "Come grow with us" by exhibiting at our annual convention and talk to the leaders in Minnesota's onsite wastewater industry. **We look forward to seeing you in Duluth on February 5-6, 2024.**
