MOWA Grows, Launches Mentorship Program and Looks to Add More Benefits!

MOWA Members,

It is hard to believe that we are in the year 2025. MOWA has adapted to changes throughout the years and we are in the process of launching new programs and adding more member benefits. As our membership grows, we need to address the needs of you, the membership.

One of the biggest items we launched this year is our Mentorship Program. While we are focusing on the installers in the first pilot program, we are hoping to make it a successful program. We are in need of professionals to be mentors to train the future of our industry. We all cannot work forever so be a part of building our industry for the future of Minnesota. Check out the Mentorship Program information in the Directory and on our website.

The MOWA Board and Membership Committee are working on adding new member benefits this year too. We hope that you stay tuned by our email updates and Little Digger newsletter to hear about what we add throughout the year.

Save the date for our 2026 MOWA Winter Convention in Duluth from February 2-3. We are excited to be back at the Duluth Entertainment Convention Center (DECC). Stay tuned for details about the event and registration information to come.

In addition, MOWA is hosting it's annual Summer Soils Seminar in Cook, MN (St. Louis County) on August 8. Be sure to register early once registration is open.

Thank you all for being MOWA Members. Your support is appreciated as we continue to work towards improving our industry for Minnesota. I hope you have a prosperous and safe working season.

Best regards,

Tammy Trantham
MOWA Executive Director

MOWA COMMITTEES: If you would like to join a committee, contact MOWA by email: mowaexec@gmail.com

CONVENTION COMMITTEE

Get involved with the planning of the Annual Convention. Help us pick out topics, speakers, and entertainment!

MEMBERSHIP COMMITTEE

Growing MOWA Membership and building more benefits to our membership is of great importance. Give this Committee your hand in helping reach these goals.

SCHOLARSHIP COMMITTEE

Chairperson: Ryan Lashinski

This Committee helps promote the scholarship fundraising efforts and comes up with ideas to get more applications for our scholarship program.

LEGISLATIVE COMMITTEE

Chairperson: Lori Ende

Get involved with MOWA by staying up-to-date on our legislative issues we are watching!

POLYLOK™ Inc.

Riser Safety Screens & Safety Devices
Reliable Protection for Peace of Mind!

We take numerous precautions to protect ourselves and our loved ones in everyday life—whether it's wearing seatbelts in the car, helmets while biking, life vests on boats, or leashes for our pets. Yet, often the most overlooked safety hazards are right in our own backyards. Without proper precautions, your outdoor space can become a hidden danger for adults, children, and pets. Each year, tragic accidents occur involving children falling into unsafe septic tanks, often due to exposed tanks or unsecured and eroded lids. Prioritizing safety in your backyard is just as crucial as in any other aspect of life. *Protect What Matters Most!*

Riser Safety Screen
 for Polylok 12", 20" & 24" risers

Universal Safety Screen
 for 24" concrete, PVC ribbed & corrugated pipe

Lid-Lok
 for Polylok 20" & 24" riser covers

Dual Safety Cover
 for Polylok 24" risers

Riser Safety Pan
 for Polylok 20" & 24" risers
